

the basics

memory loss, dementia and alzheimer's disease

an education program by the alzheimer's association

Alzheimer's disease is not a normal part of aging.

If you or someone you know is affected by Alzheimer's disease or dementia, it's time to learn the facts. This program provides information on detection, causes and risk factors, stages of the disease, treatment, and much more.

Tuesday, June 11th - 6:00pm
